Dear Stakeholders,

I would like to take this opportunity to thank all of you who came to my office yesterday and delivered such caring and beautiful valentines as part of The Arc of Indiana Valentine's Day at the State House. What a wonderful day this is and it is one of my favorite every year!

I truly appreciate the time, care, and thoughtfulness that all of you put into the valentines, paintings and treats. From the staff within DDRS we want you to know that Valentine's Day at the State House is a great day for us to remember about all of those that we are here to serve and to reconnect to why we are here. I am grateful every day for the opportunity to serve all of you and on behalf of the DDRS staff I again say thank you!

Sincerely,
